#### EXPLANATION

30 The inclusion of this explanation does not constitute agreement with  
31 the explanation's substance by the members of the general assembly.

32 This bill modifies provisions related to the time in which  
33 the board of educational examiners (BOEE) can investigate  
34 complaints relating to licensed school employees having  
35 romantic or otherwise inappropriate relationships with

1 students. Current law requires the BOEE to adopt rules  
2 related to the filing of complaints against individuals who  
3 hold a license, certificate, authorization, or statement of  
4 recognition issued by the BOEE. Current law also requires  
5 that the conduct providing the basis for the complaint to have  
6 occurred within three years of discovery of the event by the  
7 complainant unless good cause can be shown for an extension  
8 of the three-year limitation. The bill provides that the  
9 three-year limitation shall also not apply if the conduct  
10 constitutes soliciting, encouraging, or consummating a romantic  
11 or otherwise inappropriate relationship with a student.
